

The Kiawah Island Photography Club

Application Form

The objective of The Kiawah Island Photography Club is to foster the use and appreciation of photography as a science, art and hobby by providing a forum for mutual enjoyment and the development of photographic skills. The Club welcomes photographers of all skill levels who share an enthusiasm for photography in its various forms and want to share with family and friends.

Membership is open to any person who is a Kiawah Island property owner, former owner or long-term renter with an interest in the art of photography.

Regular meetings and workshops are held at the Sandcastle, on Monday's at either 9:00 or 10:00 A.M., beginning in the fall. Field Trips are held in addition to these meetings.

Be sure to check out the website, www.kiawahphotoclub.org. Lots of information about the Photography Club, member's photos, meeting notes, photo web links and news in general.

Monthly meetings (3rd Monday each month) deal with some aspect of photography that benefits photographers of all skill levels and interests. Topics vary and some are paired with our popular Shoots.

Workshops generally deal with some aspect of digital photography and its interface with computers. Workshops are usually characterized as Basic or Advanced and are designated as for Mac or PC or both.

Photo Shoots are intended to appeal to photographers of a range of skill and equipment and often include a critique/review session. They provide an opportunity to learn from other photographers, both amateur and professional.
